

Planned price collection dates for the Icelandic consumer price index in 2019

7 - 11	January 2019
11 - 15	February 2019
11 - 15	March 2019
8 - 12	April 2019
13 - 17	May 2019
6 - 13	June 2019
8 - 12	July 2019
12 - 16	August 2019
9 - 13	September 2019
7 - 11	October 2019
11 - 15	November 2019
4 - 10	December 2019

As of January 2008 the consumer price index is based on prices collected during a one week's period in the middle of each month. Statistics Iceland is authorised to base the index on prices collected in a longer period. Therefore, the consumer price collection dates mentioned above are primarily for guidance. The price collection for the consumer price index is discussed in the law on the consumer price index, no. 12 from 1995 with later amendments.
