- 11 - 15 January 2021
- 8 - 12 February 2021
- 8 - 12 March 2021
- 7 - 13 April 2021
- 10 - 17 May 2021
- 7 - 11 June 2021
- 5 - 9 July 2021
- 9 - 13 August 2021
- 13 - 17 September 2021
- 11 - 15 October 2021
- 8 - 12 November 2021
- 6 - 10 December 2021

As of January 2008 the consumer price index is based on prices collected during a one week's period in the middle of each month. Statistics Iceland is authorised to base the index on prices collected in a longer period. Therefore, the consumer price collection dates mentioned above are primarily for guidance. The price collection for the consumer price index is discussed in the law on the consumer price index, no. 12 from 1995 with later amendments.
